

Hey Min,

Happy Pepero Day! I know we're far apart, but I wanted to let you know how much I appreciate you. You're always there for me, even when I'm being a 동몽청이.

I'm so lucky to have you in my life. I can't wait to be together again and celebrate in person.

Happy Pepero Day

Love you lots,
Sandro Lobo (Your Hubby)

I'm sorry I couldn't buy you some real Pepero... 미안해
